

OLUSEGUN ALAKA

- > FRONT END DEVELOPER
- > WEB DESIGNER
- > FREELANCER

OBJECTIVE

I am a Front End Developer who loves building websites. If you want anything related to designing website, support, building portfolio or even create a whole online store – I can help!

I'm experienced in HTML and CSS3, JavaScript and React.

I'll fully manage your project and brief you from start to finish.

Regular communication is really important to me, so let's keep in touch.

PERSONAL PROJECTS
